Section B – Description of the research infrastructure requirements/needs

B.1 Please list your research infrastructure requirements – the most urgent equipment you would need.

Specification of equipment:

Three servers,
 40 desk top computers,
 5 laptop computers,
 3 net printers,
 3 wireless routers,
 6 rack cases,
 5 24 port switches

B.2 Describe the relevance of the requested research infrastructure for the work of your institution and the potential impact of receiving the items listed above (B.1).

Requested infrastructure is necessary for a more qualitative work in teaching as well as scientific and research process. The equipment is supposed to provide more favourable conditions for a more efficient scientific and research work to professors, associate teachers and students. The equipment would make possible more efficient information exchange with all university units, scientific and research institutions and other subjects that deal with a similar activity in this and other regions.

B.3 Please indicate the potential users of the requested equipment.

The potential users of the requested equipment:

- for two computer rooms we need 35 computers and 2 servers
- for library we need 5 PC desk top computers
- 5 laptop computers are necessary for institutes which function as parts of the Faculty
- 1 server for the existing computer room
- wireless routers, rack cases and switches are also needed for a more efficient work of informational system of the Faculty.

B.4 Please describe the training needs of your institution related to the requested equipment

On the Faculty there is all necessary infrastructure needed for putting the equipment into function.

B.5 Please indicate if there is assistance needed with regard to the transportation and maintenance related to the requested equipment

Depending on the technical characteristics of equipment we would appreciate the expert help.

B.6 Additional Comments

Please fill in and return the form by email to the contact person in your country

Place, date:

Signature and Stamp of applicant
